LB 234

PRESIDENT: No, not necessarily, this a roll call has been requested. I am not going to call the Call. I am not arguing with you, Senator Kelly.

SENATOR KELLY: I want to get the ruling straight, Mr. President, so we don't have to be concerned....

PRESIDENT: If you will sit down, I will tell you what we are going to do.

SENATOR KELLY: That is what I want.

PRESIDENT: If you will just sit down, I will tell you. When people checked in today, we had so many people shown as being present. There are some people who are not here present on a roll call vote who should be here. The Chair is simply demanding that those who said they were here are here when we have a roll call vote. That is the only way we can find out because, naturally, when you vote on the Board, when you vote on the Board, you can't tell whether you are here or not unless I look back there to see and you might be down over to the side or something like that, but we know when we have a roll call vote whether they are here or not. So when someone demands a roll call vote, so you know what to do if you want to do this, ask for a roll call vote. If the Chair so decides, yes, and the Chair here now is so deciding. You may have someone else in the Chair.

SENATOR KELLY: No, I am talking about you, Mr. President.

PRESIDENT: When I am here....

SENATOR KELLY: That is the way we are going to do it.

PRESIDENT: When I am here, if there is person that is not here who is supposed to be here that is in the building, the Sergeant at Arms will bring them here.

SENATOR KELLY: Okay, I thank you very much, Mr. President.

PRESIDENT: All right. Senator Fitzgerald, did you have something to say?

SENATOR FITZGERALD: Mr. President, we are supposed to be in our seats.

PRESIDENT: That is right.

SENATOR FITZGERALD: All right. Whenever a Senator leaves,
